The Parties acknowledge that the Pledgor shall be entitled to initiate any property technical actions that may under Finnish law be carried out without the consent of the mortgage holder including but not limited to consolidation and parcelling of real estates.

7 CONTINUING SECURITY

- (a) The security interest constituted by this Agreement shall be a continuing security, shall continue in full force and effect during the Security Period and shall be in addition to and not adversely affect, or be adversely affected by any other Secured Document, and shall continue in force notwithstanding any intermediate payment or discharge in whole or in part of the Secured Obligations or the Hedging Liabilities, as applicable.
- (b) This Security is in addition to and independent and is not in any way prejudiced by any present or future guarantee, or other security held by the Secured Creditors.
- (c) The Secured Creditors' rights hereunder are in addition to and not exclusive of those provided by law.
- (d) The Pledgor waives any right it may have of first requiring the Secured Creditors to proceed against or enforce any other rights or security or claim payment from any person before enforcing this Agreement.
- (e) If the Common Security Agent (acting reasonably) considers that in respect of an amount paid to any Secured Creditor under the Secured Documents there is a reasonable risk that such payment will be avoided or otherwise set aside on the liquidation, restructuring or bankruptcy of such payer or otherwise, then that amount shall not be considered to have been irrevocably paid for the purposes of this Agreement. Notwithstanding this, any payment shall be considered irrevocable, unless insolvency or execution proceedings are initiated within three (3) months after full payment of the Secured Obligations and the Hedging Liabilities, and the Security Assets shall be released accordingly. Notwithstanding the aforesaid and any release of the Security under Clause 18 (*Release of Security*), the Security shall be effective, if the Secured Obligations and/or the Hedging Liabilities are reinstated in whole or in part by operation of the Finnish Act on Recovery to Bankruptcy Estates (Fin: *laki takaisinsaannista konkurssipesään*, statute 758/1991, as amended), the Finnish Act on Corporate Restructuring (Fin: *laki yrityksen saneerauksesta*, statute 47/1993, as amended) or the Enforcement Code (Fin: *ulosottoaari*, statute 705/2007, as amended).

8 ENFORCEMENT

- (a) Subject to the provisions of the Intercreditor Agreement, the Common Security Agent has exclusive right to enforce the Security on behalf of the Secured Creditors in accordance with this Clause 8 (*Enforcement*). None of the Secured Creditors (save for the Common Security Agent) shall be entitled to enforce its rights hereunder independently.
- (b) Upon the occurrence of an Event of Default, the Common Security Agent may, subject to the terms of the Intercreditor Agreement, on behalf of the Secured Creditors to the fullest extent permitted under Finnish law enforce the Security and realise the Security Assets and for such purpose (without limitation) (i) collect and receive any amount standing to the credit of the Blocked Account and/or (ii) cause the sale, realisation, disposal or transfer of the Security Assets or any part thereof in any manner the Common Security Agent deems appropriate, and in each case apply any proceeds of such enforcement towards discharge of the Secured Obligations and/or the Hedging Liabilities in accordance with the Intercreditor Agreement.
- (c) Chapter 10, Section 2 of the Finnish Commercial Code (Fin: *kauppakaari*, statute 3/1734, as amended) shall not be applicable to this Agreement and enforcement

hereunder and the rights and remedies herein provided shall operate as an extension of the statutory power of sale under such section of law and any other rights or remedies provided by law. Notwithstanding the aforesaid, the Secured Creditors may always enforce their rights by the remedies and procedures available under applicable law with the assistance of competent authorities, subject to (a) above.

- (d) If reasonably practicable before and in any event promptly after the exercise of any right under Clause 8 (*Enforcement*), the Common Security Agent will give notice of such intended or actual action to the Pledgor.
- (e) The Parties recognise that under Finnish law, the enforcement of real estate mortgage (Fin: *kiinteistökiinnitys*) outside bankruptcy requires an enforceable enforcement order for execution.
- (f) After the enforcement of the Security or any part thereof the Common Security Agent shall provide to the Parties with information on the application of the enforcement proceeds so received. Subject to the full and final discharge of the Secured Obligations and the Hedging Liabilities, the surplus, if any, shall be paid to the Pledgor in accordance with the terms of the Intercreditor Agreement.

9 APPLICATION OF SECURITY PROCEEDS

All moneys received by the Secured Creditors hereunder shall, after the Security shall have become enforceable but subject to the payment of any claims having priority to the pledges created hereunder, be applied by the Common Security Agent in or towards payment of the Secured Obligations and/or the Hedging Liabilities in accordance with the order of priority set in Clause 2 (*Pledge and grant of security*) and the provisions of the Intercreditor Agreement.

10 POWER OF ATTORNEY

- (a) For the benefit of the Secured Creditors, the Pledgor hereby irrevocably appoints the Common Security Agent with full right of substitution to be its attorney and on its behalf and in its name or otherwise (as the attorney may decide) to sign, execute, seal, deliver, acknowledge, file, register and perfect any and all such agreements (including any agreements to which the Secured Creditors themselves are parties) and other documents and to do any and all such acts and things as the Pledgor (as the case may be) itself could (or ought to) do in relation to the Security Assets or in relation to any matters dealt with in this Agreement, in each case as, in the opinion of the Common Security Agent or any substitute acting reasonably, may be necessary to give full effect to the purposes of this Agreement and the Pledgor will ratify and confirm whatever the attorney or any substitute shall do or cause to be done in pursuance of the powers conferred to it hereby.
- (b) The Common Security Agent shall not have any obligation whatsoever to exercise any of the powers conferred upon it by this Clause 10 (*Power of attorney*). No action taken by or omitted to be taken by the attorney or any substitute in good faith shall give rise to any defence, counterclaim or set-off against the Secured Creditors or otherwise adversely affect any of the Secured Obligations or the Hedging Liabilities.
- (c) Prior to the occurrence of an Event of Default the Common Security Agent shall only be entitled to exercise the powers conferred upon it by this Clause 10 (*Power of attorney*) in order to take an action that the Pledgor has failed to take pursuant to this Agreement.

11 WAIVER OF DEFENCES

The Security and obligations of the Pledgor under this Agreement will not be affected by an act, omission, matter or thing which, but for this Clause 11 (*Waiver of defences*), would operate to release or otherwise exonerate the Pledgor from its obligations under this Agreement or prejudice those obligations or the Security in whole or in part, including:

- (a) any time, waiver or consent granted to, or composition or restructuring with any person;
- (b) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any person or entity or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or promissory note or any failure to realise the full value of any security;
- (c) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person;
- (d) any amendment (however fundamental) or replacement of a Secured Document or any other document or security, so that reference to that Secured Document in this Agreement shall include each variation or replacement thereafter from time to time;
- (e) any unenforceability, illegality or invalidity of any obligation of any person under any Secured Document or any other document or security; or
- (f) any postponement, discharge, reduction, non-provability or other similar circumstance affecting any obligation of the Pledgor or any other person under a Secured Document or any other document resulting from any restructuring, bankruptcy, insolvency, liquidation or dissolution proceedings or from any law, regulation or order so that each such obligation shall for the purposes of the Pledgor's obligations under this Agreement be construed as if there were no such circumstance.

12 WAIVERS

The rights of the Secured Creditors under this Agreement may be waived only in writing and specifically and may be on such terms as the Common Security Agent sees fit, subject to the terms of the Intercreditor Agreement.

13 ASSIGNMENT

13.1 Each Secured Creditor may at any time assign or transfer any of its rights and/or obligations under this Agreement together with assignment or transfer of its respective rights and/or obligations under and in accordance with the Secured Documents, as applicable, and no further confirmation or consent is necessary to be obtained from the Pledgor to effectuate such assignment or transfer. For the avoidance of doubt, references to any Secured Creditor include successors, transferees and assigns of that Secured Creditor.

13.2 The Pledgor may not assign any of its rights and/or obligations under this Agreement.

14 INVALIDITY

Should any provision of this Agreement be or become invalid, void or unenforceable, all remaining provisions and terms hereof shall remain in full force and effect and shall in no way be invalidated, impaired or affected thereby. The Parties hereto agree that they will negotiate in good faith and will replace the invalid, void or unenforceable provision with a valid and

enforceable provision which reflects as much as possible the intention of the Parties as referred in the provision thus replaced.

15 AMENDMENTS

- 15.1 This Agreement may not be amended unless made by an instrument in writing and signed by or on behalf of the Pledgor and the Common Security Agent in accordance with the terms of the Intercreditor Agreement.
- 15.2 The Common Security Agent is entitled to sign each amendment, supplement or variation to this Agreement (in accordance with the above) in accordance with the terms of the Intercreditor Agreement.

16 FORCE MAJEURE

No Party shall be held liable for any damage resulting from a Finnish or foreign legislative enactment, actions of Finnish or foreign authorities, war, power failure, riots, strike, blockade, lockout and boycott or any other similar circumstances outside such Party's control. This reservation applies even if such Party itself is the object of the strike, blockade, boycott or lockout in question, or it adopts such hostile measures. No Party shall in any case be liable for any loss of data, non-payment of profits or other indirect damage.

17 NOTICES

- 17.1 Clause 19 (*Notices*) of the Intercreditor Agreement (including any subsequent amendments thereto) are hereby incorporated by reference into and made part of this Agreement *mutatis mutandis* as if fully set forth herein.

18 RELEASE OF SECURITY

- 18.1 Upon the expiry of the Security Period for both Secured Obligations and the Hedging Liabilities, the Common Security Agent shall release to the Pledgor all right, title and interest of the Secured Creditors in or to the Security Assets and give such instructions and directions as the Pledgor may require in order to perfect such release.
- 18.2 Further, the Pledgor is to be entitled to have a Security over a Property or Additional Property (or a part thereof) released in accordance with the Intercreditor Agreement and the Common Security Agent shall be entitled to effect such release.
- 18.3 Further, subject to the provisions in the Intercreditor Agreement (including but not limited to any Permitted Property Transaction), the Common Security Agent may at the request and cost and expense of the Pledgor reassign, release or otherwise discharge the Security Assets from the Security.
- 18.4 Further, subject to the provisions in the Intercreditor Agreement, the Common Security Agent may at the request and cost and expense of the Pledgor release any funds standing to credit on the Blocked Account.
- 18.5 Any request for the release of a Security over one or more Properties or Additional Properties (or part thereof) pursuant to this Clause shall be delivered to the Common Security Agent in accordance with the Intercreditor Agreement.

19 COUNTERPARTS

This Agreement may be executed in any number of counterparts and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

20 GOVERNING LAW, JURISDICTION

- (a) This Agreement shall be governed by and construed in accordance with Finnish law.
- (b) Subject to Clause 20 (c) (*Governing law, jurisdiction*) below, the courts of Finland shall have exclusive jurisdiction over matters arising of or in connection with this Agreement. The District Court of Helsinki shall be court of first instance.
- (c) The submission to the jurisdiction of courts of Finland shall not limit the right of any of the Secured Creditor to take proceedings against the Pledgor in any court which may otherwise exercise jurisdiction over the Pledgor or any of its assets.
